In addition to this, the centre has published two handbooks for teaching Sanskrit one at upper primary level and other at secondary level. The centre has successfully organized 40 programmes and 03 Faculty Induction Programmes (FIP) till now. All the programmes in phase-V are conducted under patronship of hon'ble Vice Chancellor.**

Backdrop

We all know that educational research plays a vital role in the overall development of education system by aiming at knowledge advancement & improving practices. It follows a well-defined & systematic scientific process to collect & analyse data for problem solving which requires multiple research skills. There is an addition of new domain to these research skill sets in the form of digital competencies which has gained importance especially in this Corona times. As a result of this, growing needs of digital skills & competencies arises for safe, quick, efficient & effective execution of all the research related activities. Thus, it becomes pertinent for all teachers & research scholars to have digital knowledge and ability to use & apply it intelligently for conducting their research work.
